I really hate this world
Everybody's selfish
There's only pain in life which can only be solved by ending it
So... I...have decided to leave it ...
The time and date is, morning of July 14th

We haven't seen each other in 3 weeks
Ring... Ring...
You're going back to your wife's side? I understand, but don't you regret it!
Lin Zhiyi. Have you decided to leave me?

Good bye, hateful world!
Today is the fourth of September. I will wear red clothes.
I will run to the highest floor and jump. Then I'll become a ghost that haunts you for the rest of your life!
Finally, you'll understand what you're forcing me to do. So be it!

Are you still going back to your wife? I will kill myself! Don't think that you can control me!
Kacha!
Ahh...
Ahh...

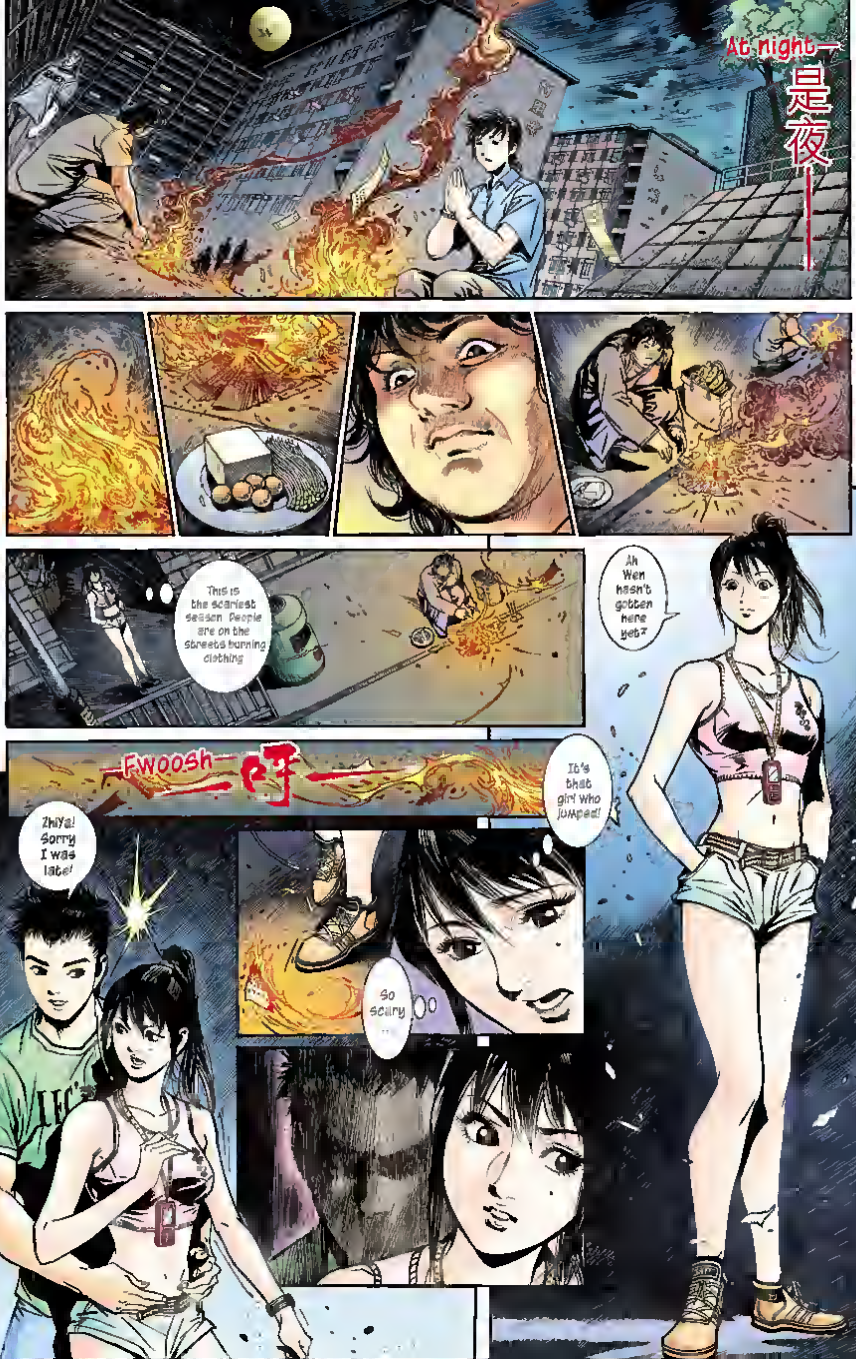
啪!
SPLASH!
Ah!
咚!
嗖!
Hey, ZhiYa! Don't do anything stupid! I'll come see you at 8 PM. Don't be stupid



At night

This is the scariest season. People are on the streets burning clothing
Ah Wen hasn't gotten here yet?
F-woosh

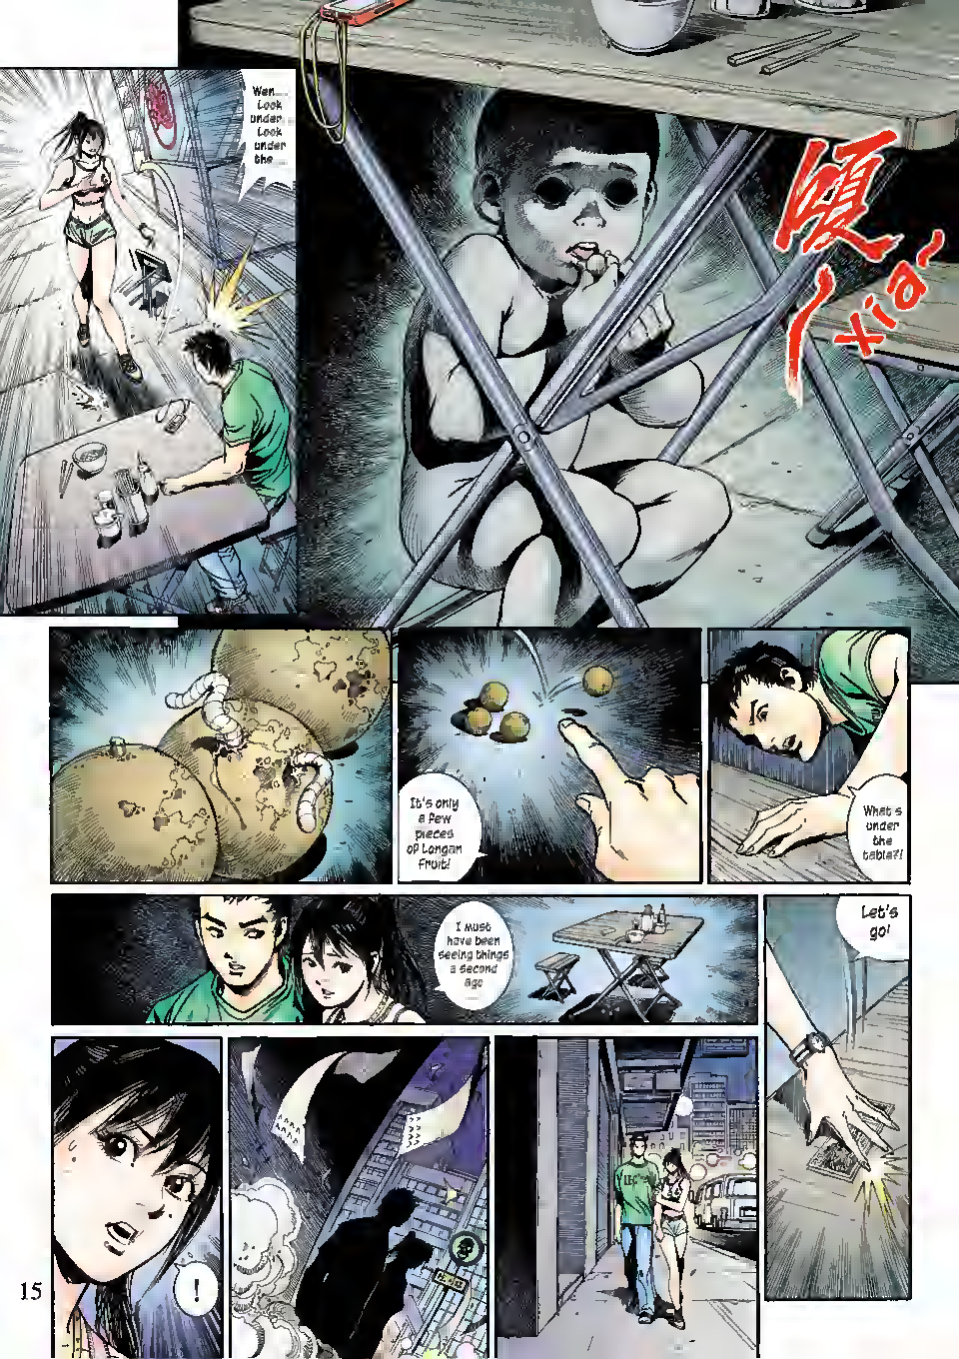
It's that girl who jumped!
Zhiya! Sorry I was late!
So scary...

Come! Let's go eat some noodles first!
And I thought that you didn't care about me anymore that you had given up on me already.
Guo ZhengWen, You know that I really care for you!
Oh! Don't worry, just pretend you're on vacation and look for a job slowly!
Psh!
Zhiya! I— got fired last month
I don't want to hear about your wife's situation because I have no love for her!
You are too good to me and I just don't have the ability. My wife went to do medical testing and her stomach is damaged—
Here's some money I have a bit even though it's not much. Here!
I... I owe her a lot. Every time I think about breaking up with her, I just can't say it out loud!
No! I can't!

No! Dying solves nothing. You have to calm down! When it's time, I will be clear with her!
What about me? You don't care about my pains
Pack!
Okay! I'd rather die. Let's see you regret it when you're standing next to my grave!
What are you doing?
Bop!
Click!
Huh? Something seems to be down there
This is proof of your promise to me tonight. The time limit is 1 month, if you don't make it clear to her, I will kill myself while on the phone. So I will die with you!!



Wen... Look under. Look under the...

It's only a few pieces of Longan Fruit!
What's under the table?!
I must have been seeing things a second ago
Let's go!

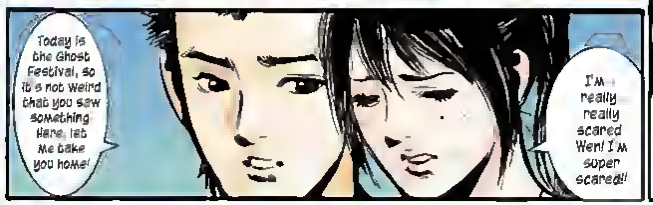
Don't worry! Pretend that you don't see anything-
I… am to scared to walk there!
"They" have their own world and they won't do anything evil to you.

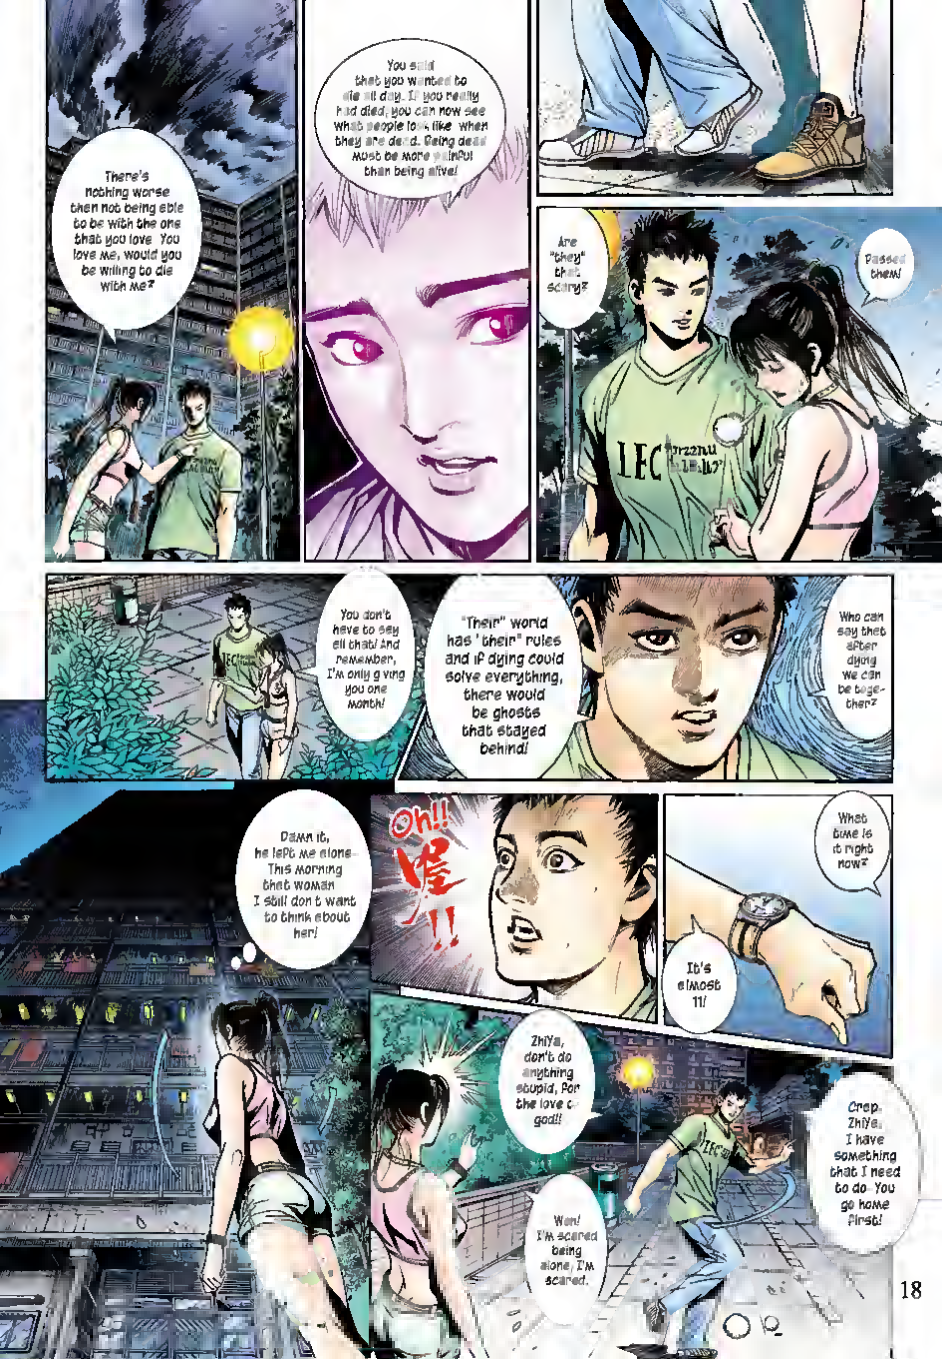
Moan…
Xia…
嗄…!

You can't see them?



Today is the Ghost Festival, so it's not weird that you saw something. Here, let me take you home!
I'm… really really scared Wen! I'm super scared!!

I'm not just seeing things because they really are ghosts!
There's nothing. Don't worry!



There's nothing worse then not being able to be with the one that you love. You love me, would you be willing to die with me?
You said that you wanted to die all day. If you really had died, you can now see what people look like when they are dead. Being dead must be more painful than being alive!
Are "they" that scary?
Passed them!
You don't have to say all that! And remember, I'm only giving you one month!
"Their" world has "their" rules and if dying could solve everything, there would be ghosts that stayed behind!
Who can say that after dying we can be together?
Damn it, he left me alone. This morning that woman I still don't want to think about her!
Oh!!
What time is it right now?
It's almost 11!
Zhiya, don't do anything stupid. For the love of god!!
Wan! I'm scared being alone, I'm scared.
Crap. Zhiya, I have something that I need to do. You go home first!

Don't be scared. Don't be scared...
Ah! Why isn't it stopping on the 4th floor? It keeps following me...
AHWEN MUST BE GOING BACK TO HIS WIFE'S SIDE. HE DOESN'T LOVE ME. AND WITHOUT HIM I... WHO DO I HAVE TO LIVE FOR?

Woah! What am I doing? I met a ghost!
Zhiya! Come to room 5 on the 25th floor of the XXXX hotel!
Voicemail service! You have 1 Message Beep!
AhWen had a woman on the outside I knew it already and didn't mind and I even Forgave him...
Auntie Wen, the dead can't come back to life so don't be so sad...
Guo Zheng Wen's wife
But he...oh... he's so stupid Ten days ago he went and jumped off the roof And his suicide letter said that he felt so bad for both women he became depressed
I... forced Ah Wen!

The service that we did at 11 o'clock was done to let the deceased rest in peace!
"Their" world has "their" rules ...
Can't you say that we'll always be together even after jin ji?
As long as the coffin is open...it doesn't matter where the spirit is... They will hear it when they must. It's 11 o'clock...
After hearing the sermon they will be at peace... And if they can't hear us?
It's 11 o'clock... They just gave AhWen his peace sermon ...

"Death" doesn't solve problems. And if you don't believe me, then you can go find Guo ZhengWen's spirit. He will prove to you that "their" world isn't painless and that the seeker is always short-sighted. They must use reason to prevent themselves from suffering!
It's 11 o'clock No wonder he was rushing to return to his dead body... Then today, when I was talking to him... he was already dead...

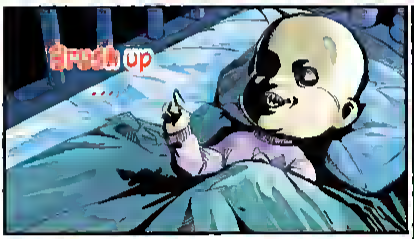
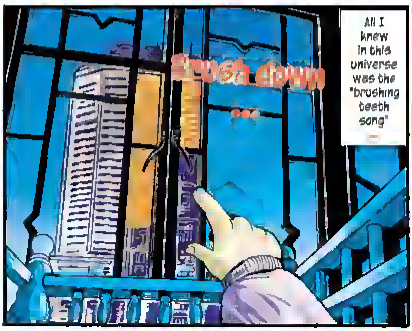
The brushing song
Brush upwards, brush downwards. No, brush it in any direction.

But no one has really understood the true meaning behind those songs...
When I was little... all those nursery rhymes fed my ears an idealized world!



Brush up
...



Brush down
...
All I knew in this universe was the "brushing teeth song"

Rather this type of song relied on the fact that I hadn't been part of this wily world

Brush up...

Help a year ago, I had decided to give myself a vacation...but I just couldn't leave this place alone... sigh
It's 8:30 I over-worked today again!
It's been a long time since I last contacted mother and father... Oh how I miss them!
Dida!

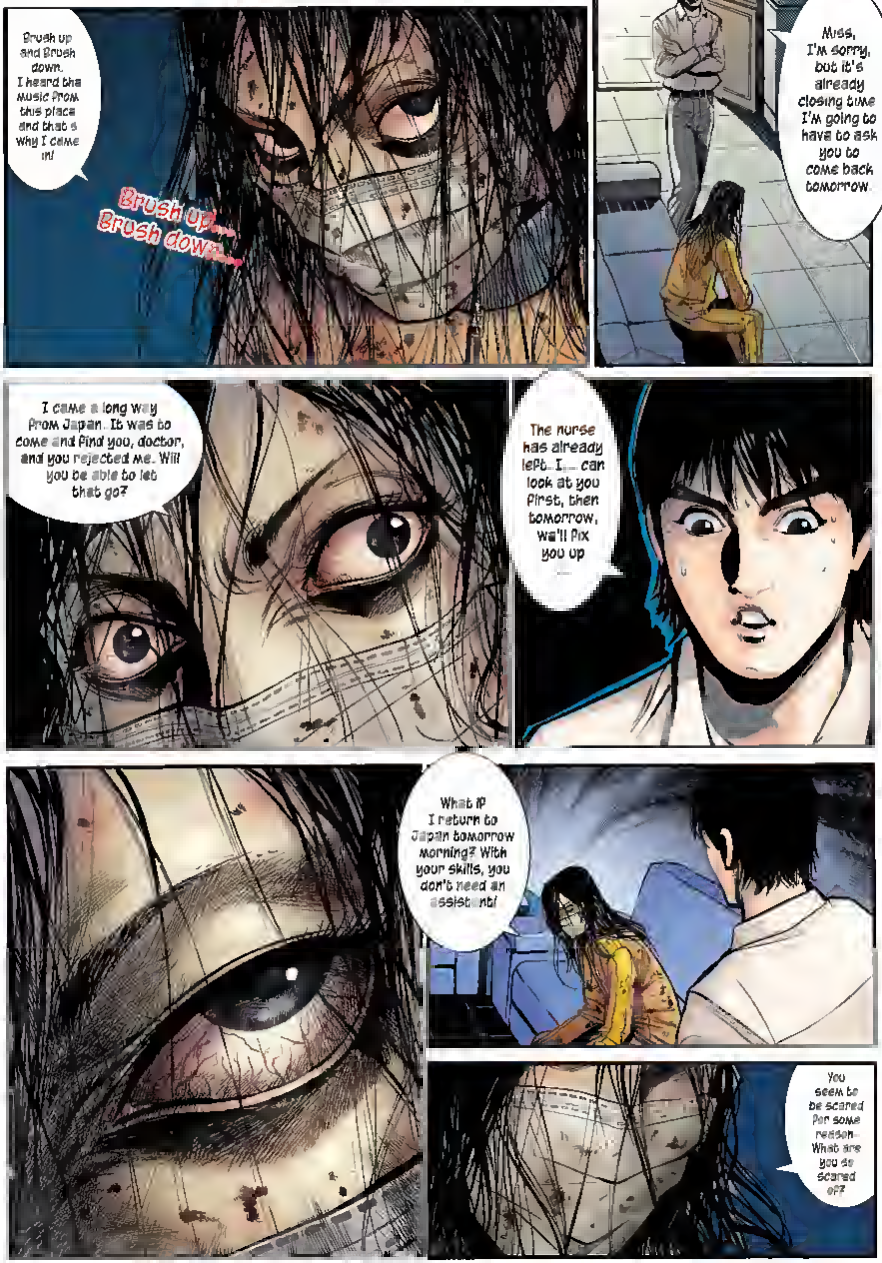
This high rise is so old that there are problems with the electricity now!
Zii...Zii...
Brush up....
Brush down....

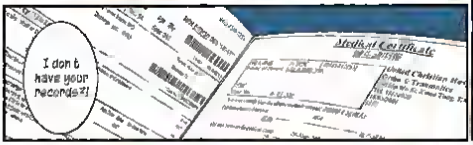
Am I paying the management's fee for nothing?
The management's office has already been checked before, so there shouldn't be a problem!
We've lost electricity at this time!
Let's check again before leaving.
Brush up...
Brush down...
Let's try it again...
Dida
Why is there a patient in the room?
Brush up...
Brush down...



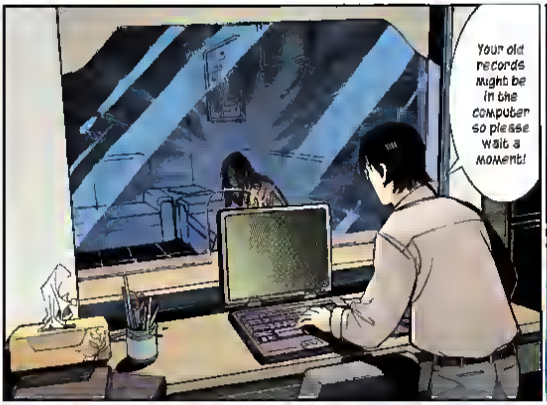
Brush up and Brush down. I heard the music from this place and that is why I came in!
Brush up... Brush down...
Miss, I'm sorry, but it's already closing time. I'm going to have to ask you to come back tomorrow.
I came a long way from Japan. It was to come and find you, doctor, and you rejected me. Will you be able to let that go?
The nurse has already left. I... can look at you first, then tomorrow, we'll fix you up.
What if I return to Japan tomorrow morning? With your skills, you don't need an assistant!
You seem to be scared for some reason. What are you so scared of?

Wu LiJuan

I'm not scared. What's your name? Let me find your records.
Wu LiJuan



I don't have your records!!
Medical Certificate



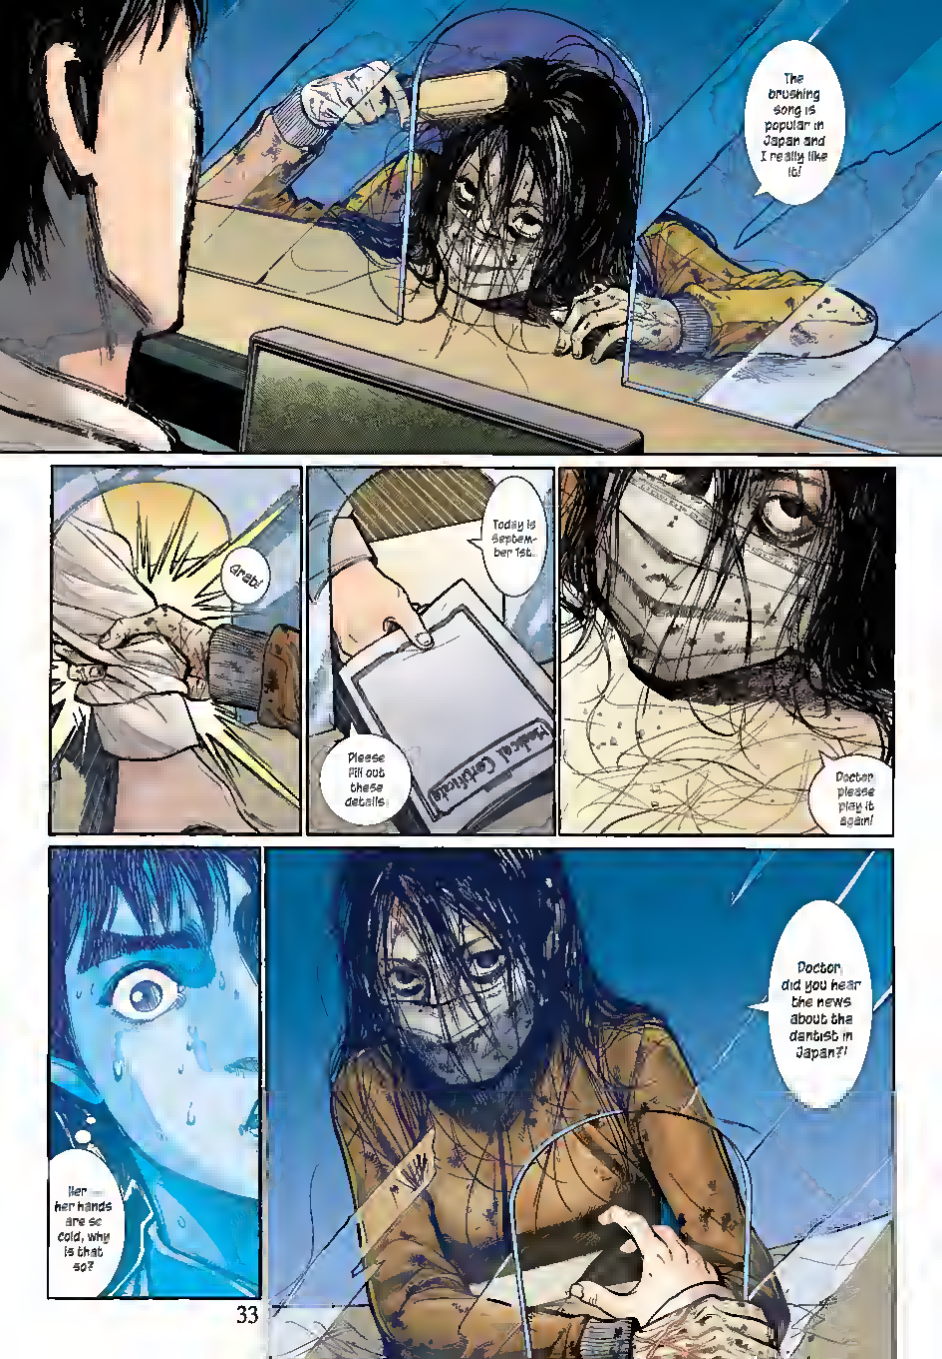
Your old records might be in the computer so please wait a moment!

I went to Japan to study and I haven't been here for a while!

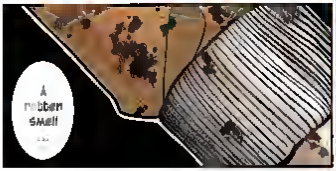
Doctor, the shushing Sang has ended!

Xia...

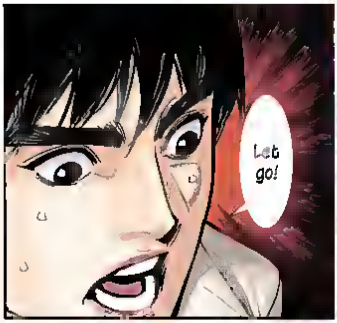
Xia...



The brushing song is popular in Japan and I really like it!
grab!
Today is September 1st.
Please fill out these details!
Medical Certificate
Doctor, please play it again!
Her — her hands are so cold, why is that so?
Doctor, did you hear the news about the dentist in Japan?!



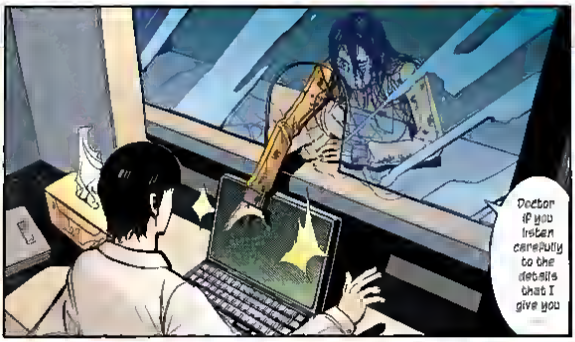
A rotten smell...



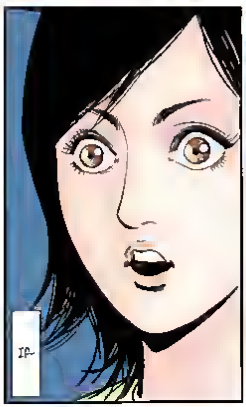
Let go!

Doctor! You have to concentrate on what I'm saying! You're a dentist so you must know about that case!

Then... tell me!



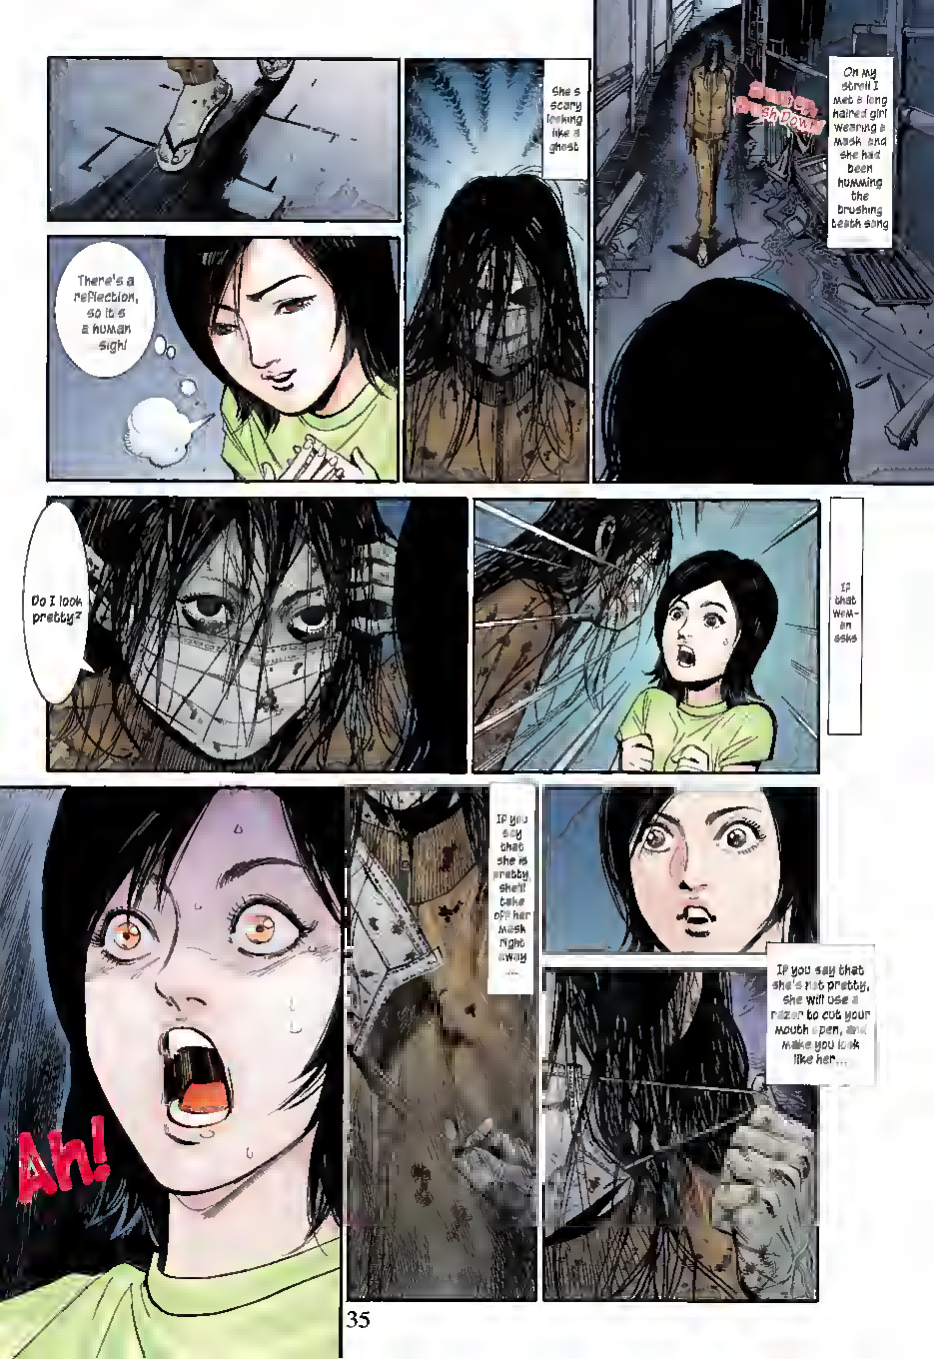
Doctor if you listen carefully to the details that I give you



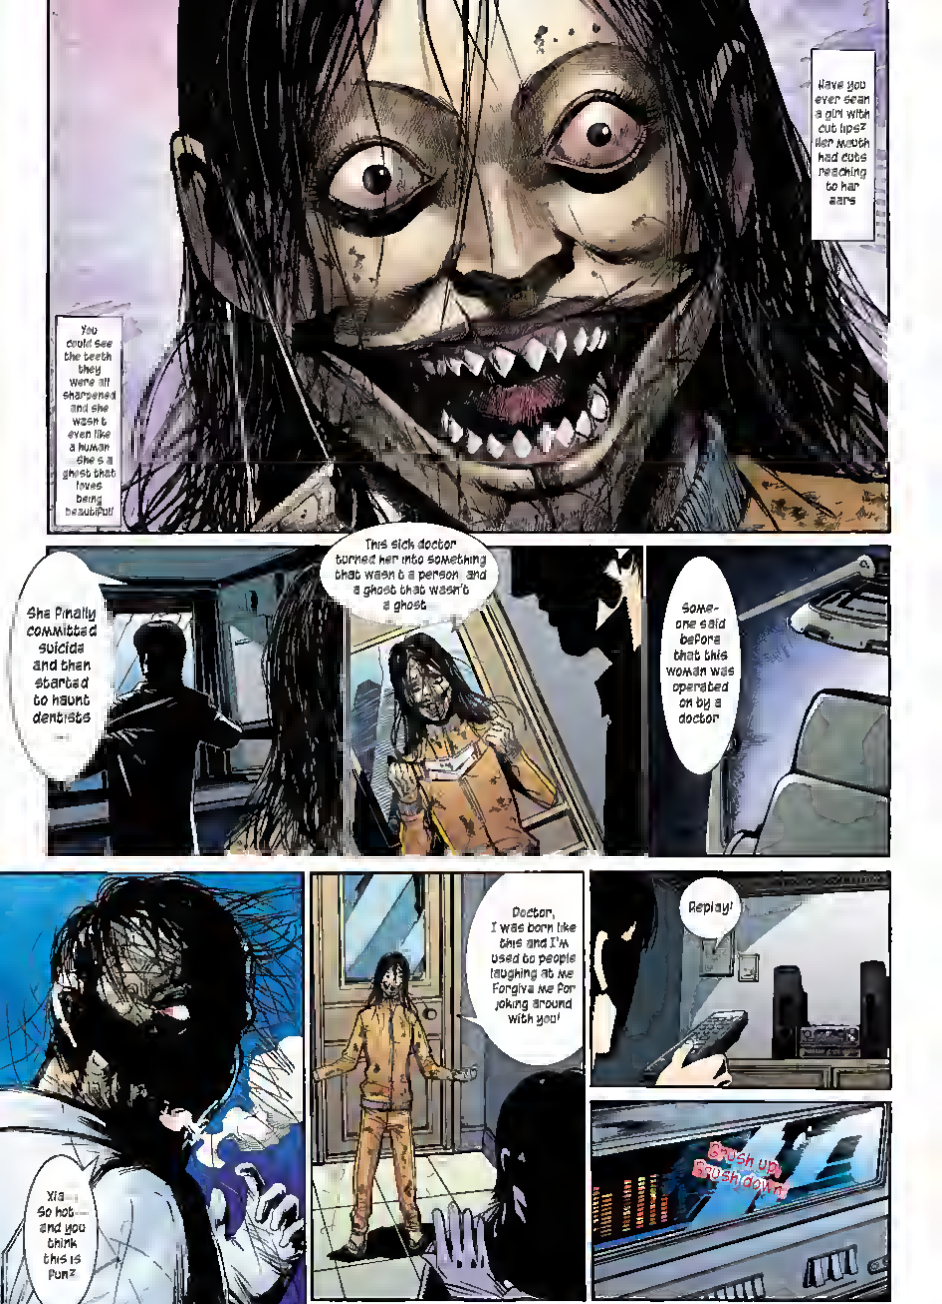
IP...

Step... Step...

In my time in Japan I was a normal girl...



There's a reflection, so it is a human sigh!
She s scary looking like a ghost
Brush Brush
On my stroll I met a long haired girl wearing a mask and she had been HUMMING the brushing teeth song
Do I look pretty?
If that woman asks
Ah!
If you say that she is pretty she'll take off her mask right away ...
If you say that she's not pretty, she will use a razor to cut your mouth open, and make you look like her...



Have you ever seen a girl with cut lips? Her mouth had cuts reaching to her ears
You could see the teeth they were all sharpened and she wasn't even like a human. She's a ghost that loves being beautiful!
She finally committed suicide and then started to haunt dentists
This sick doctor turned her into something that wasn't a person and a ghost that wasn't a ghost
Someone said before that this woman was operated on by a doctor
Xis... So hot— and you think this is fun?
Doctor, I was born like this and I'm used to people laughing at me. Forgive me for joking around with you!
Replay!
Brush up, Brush down!

A ghost!
Doctor you're
Half a year ago today, at 8 30, this place lost power and burned down. When my mother and father brought the newspaper the day afterwards, that's how I knew I had burned to death in this place
I will never leave this office, and you are my first patient after half a year, hehe

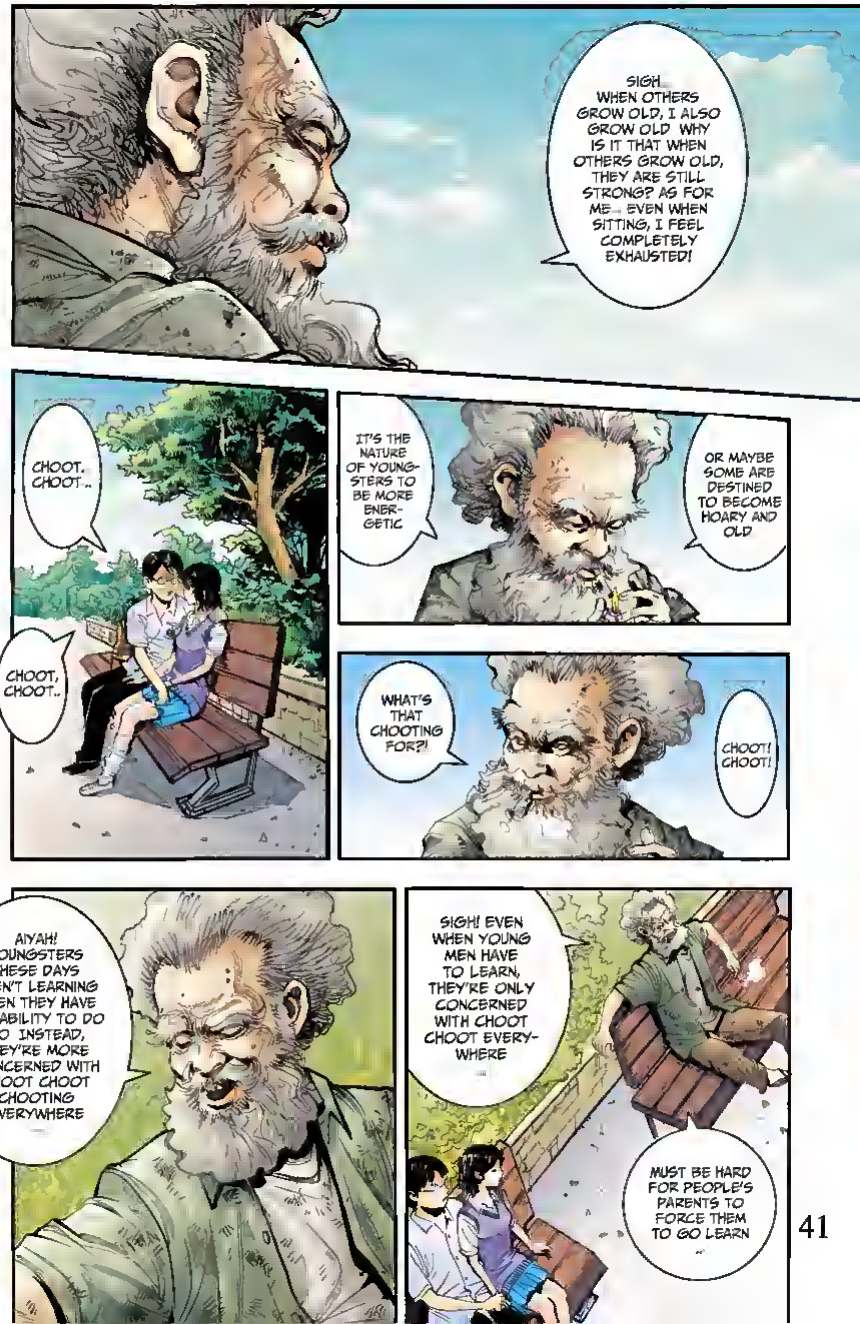
YAWN...

WORKING DAY AND NIGHT STILL ISN'T ENOUGH?

THOSE OLD PEOPLE, JOGGING UNTIL THEY RUN OUT OF BREATH IS THERE A PRIZE FOR DOING SO?

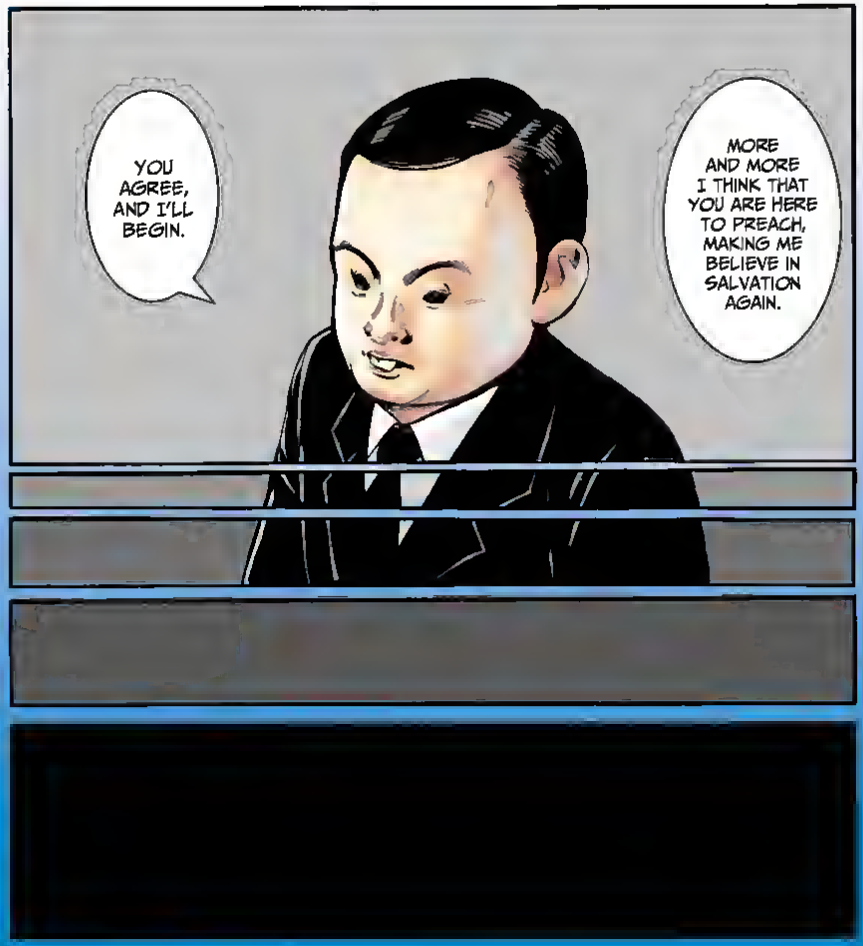
NO BIG DEAL

ME INSANE? BUT EVERY-THING I SAID WAS TRUE...
ARE YOU HAVING ANY REGRETS?
YOUNG-STER! IT'S NOT WORTH IT TO WASTE YOUR FUTURE ON A GIRL NOW ARE YOU SCARED OF NOT GETTING ANY GIRLS WHEN YOU BECOME RICH LATER IN LIFE?
LET'S GO! DON'T PAY ANY ATTENTION TO THE INSANE PERSON.
AH ..!?
ONLY BY LIVING WITHOUT EVIL IN YOUR HEART,
DEPEND-ING ON YOURSELF WITHOUT ANY FEAR OR SHAME, BEING STRAIGHT-FORWARD AND UP-RIGHT!
YOU WOULD NOT BE LACKING IN FAITH-FULNESS
OKAY! DURING THE COURSE OF YOUR LIFE, YOU WILL DO SOMETHING THAT YOU WILL REGRET, AND ONLY AFTER DOING SO, WILL YOU REALIZE THE CONSEQUENCE!
AH... SAY NO MORE, I'LL GIVE ANOTHER CHANCE AT LIFE, OKAY?
DON'T SAY THAT THE OLD UNCLE IS NAGGY. THE MOST IMPORTANT THING TO REMEM-BER IS TO ALWAYS RESPECT YOUR PARENTS, AS THEY SAY, A PARENT'S HEART IS WORTH MORE THAN GOLD--



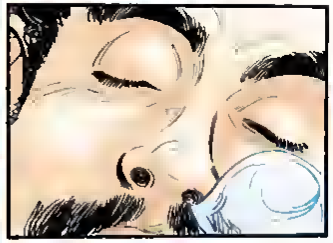
SIGH... WHEN OTHERS GROW OLD, I ALSO GROW OLD WHY IS IT THAT WHEN OTHERS GROW OLD, THEY ARE STILL STRONG? AS FOR ME... EVEN WHEN SITTING, I FEEL COMPLETELY EXHAUSTED!
CHOOT, CHOOT..
CHOOT, CHOOT..
IT'S THE NATURE OF YOUNG-STERS TO BE MORE ENER-GETIC
OR MAYBE SOME ARE DESTINED TO BECOME HOARY AND OLD
WHAT'S THAT CHOOTING FOR?!
CHOOT! CHOOT!
AIYAH! YOUNGSTERS THESE DAYS AREN'T LEARNING WHEN THEY HAVE THE ABILITY TO DO SO INSTEAD, THEY'RE MORE CONCERNED WITH CHOOT CHOOT CHOOTING EVERYWHERE
SIGH! EVEN WHEN YOUNG MEN HAVE TO LEARN, THEY'RE ONLY CONCERNED WITH CHOOT CHOOT EVERY-WHERE
MUST BE HARD FOR PEOPLE'S PARENTS TO FORCE THEM TO GO LEARN

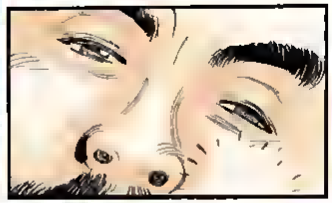
ANOTHER CHANCE AT LIFE? HA... FOR FREE AND WITHOUT ANY STRINGS ...?

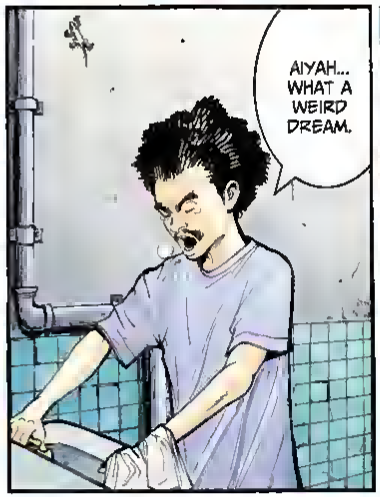


YOU AGREE, AND I'LL BEGIN.
MORE AND MORE I THINK THAT YOU ARE HERE TO PREACH, MAKING ME BELIEVE IN SALVATION AGAIN.

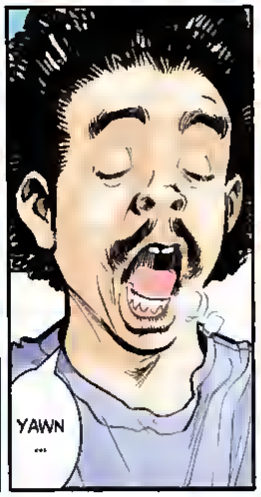
AH
AH







AIYAH... WHAT A WEIRD DREAM.



YAWN ...
